

Sport Premium Report

From September 2013, all schools have been provided with funding to support the Olympic legacy and to enable the delivery of effective sports provision. Within the Diocese of Salisbury Academy Trust we aim to provide high quality sport. At St Martin's CE Primary School Academy, over a number of years we have provided the following:

- There have been opportunities for children to participate in a variety of sports and competitions.
- We have invested in sports equipment and facilities to ensure children are active during the school day outside of PE sessions.
- Staff have had access to high quality coaching in a variety of sports from specialist sports coaches, this has included continuing professional development for teachers to enable even better teaching of PE and sports.
- We have fostered a school-wide passion for well-being linked to positive mental health through sport and fitness.

Monitoring and Evaluation

- This report will be updated at the end of the academic year to identify the success of the above initiatives and the impact that they have had.
- Delivery will be monitored by the PE Leader in the first instance. This will be overseen and managed at a senior level by the Headteacher.
- We will monitor the take-up of activities, including by children entitled to Pupil Premium funding.
- Monitoring will include observations of teaching, drop-ins to clubs run by outside agencies to ensure that provision is of high quality. We will review progress against this plan and identify next steps, on a termly basis.
