Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement				Percentage of total allocation:
				%
Intent	Implementation		Impact	
The profile of sports raised through School Council.	A team of Y6 Sports Councillors were elected and are included at School Council meetings.	No cost	Sports is frequently on the agenda and children are able to make suggestions and raise matters with their class and school leaders.	School Council will continue to have sports representatives.
Sports Ambassador training to be rolled out again at the end of this academic year to next Y5 class so that they are completely trained and competent to lead activities by Y6.	Eight Y5 children were selected and trained to lead activities. Support given by current Y6 Sports Ambassadors.	No cost	The Sports Ambassadors are now ready and able to competently lead activities at Break times for the next academic year.	At the end of each academic year, children from Y5 will be trained as Sports leaders so that they are more confident when they reach Y6.
Celebrate and reward participation in sports.	Every child who represents our school at an inter-school event receives a certificate/medal and participation/achievements are recognised and celebrated at our Gold Book assembly. The school community is updated regularly on sporting events and achievements (both in and out of school).	No cost	Children are proud to receive their awards and talk about their experiences at events. This encourages others to take part in upcoming events.	We will continue to celebrate participation in sports and different rewards have been offered throughout this year. For example, football albums and collectors cards, medals, certificates.

<p>Pupil Voice</p>	<p>Children throughout KS1 and KS2 have completed sports questionnaires.</p> <p>Sports Council have visited classrooms to talk to children about their ideas for sports for the next academic year and to promote the role of Sports Councillors and Break time Sports Ambassadors.</p>	<p>No cost</p>	<p>Children were asked which sports they would like to have offered as after school clubs. Top requests noted were: Football, Gym and Basketball. These requests were taken into account when setting up our after school clubs throughout this year.</p> <p>The profile of Sports Ambassadors was raised and many children have indicated that they would like to be considered for the role of new Ambassadors.</p>	<p>Children's suggestions will be taken in to account when planning clubs and a boys' football club will be offered – with the intention of forming a team.</p> <p>The selection for new Ambassadors will take place at the end of each academic year and this will be preceded by classroom visits by current Y6 Sports Ambassadors.</p>

<p><b>Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport</b></p>	<p>Percentage of total allocation:</p>

CPD for all class teachers throughout the year. We aim for all class teachers to gain the skills and confidence to teach all skills/sports relevant to their class.	Class teachers have access to ongoing CPD whilst working alongside our Premier Sports Education coaches.	Included in the Premier Sport package (see Key Indicator 1)	Staff are more confident in their ability to deliver a wide range of quality first PE lessons. Staff have particularly benefited from observing and taking part in Gymnastics lessons this year and will be able to apply this learning to their own lessons.	All lesson plans and assessment have been stored on the computer system and are available for all staff to follow. The CPD with Premier Sports Education will continue to upskill staff throughout 2022/23.

consolidate through practice:				
We aim to provide children with opportunities to try new sports. In order to do this we organise Taster days with outside providers.	This year, our Y6 children attended a Bowling taster day at a local Bowling centre (Five Rivers Bowls).	No charge	The children enjoyed learning a sport that they had not previously participated in and as the club is local, the children would be able to join if they so wished.	Maintain the link with club organisers and hope to offer this activity in 2022/23.
We aim to offer a diverse range of sports that are not generally offered through curriculum time and invite children to try something new.	After school Martial Arts club every Thursday.	(See key indicator 1)	Martial Arts club has attracted children from Y3 to Y6 and provided them with a sport that is not offered as part of the school curriculum.	Taster day to be held in September 2022 for all KS2 children with the aim of recruiting new members.
We have a large proportion of Pupil Premium children on roll and have focused on this group of children to ensure that they have access to a wide range of sporting opportunities.	The Sports Project organised by our School Games Lead school introduced the PP children to a range of new sports such as team-building games and some new ball games for indoors and outdoors.	The Sports Project (Free)	The impact of this project is that this group of children took part in some new games and particularly enjoyed the team-building element. They became more confident and were able to demonstrate some good teamwork.	Continue to work with our School Games Lead school and aim to extend this project to those children who are less active.

<b>Key indicator 5: Increased participation in competitive sport</b>				Percentage of total allocation:

We aim to provide all children, regardless of their sporting abilities, with opportunities to take part in competitive sports.	We have entered children into both inter-school and intra-school events. All children who wish to represent the school at events are included.	Taxis £200	The impact is that those children who volunteered to take part in competitive sports have done so (inter-school or intra-school). For example: A team of children ran the baton to a neighbouring school, Our football team have played a local school, A large team of children took part in an athletics event at a local school.	It has been particularly challenging to enter large-scale inter-school events due to transport and staff needed. Therefore, our focus is now to develop the existing links we have with two local schools so that we can organise regular events and also to host events at our school.
We provide a good range of after-school clubs. One of our aims is that through these clubs, children are trained so that they are well prepared to enter events.	Premier Sports Education lead an after school club every Monday. A training programme was implemented this year so that children were trained by Premier Sports coaches for the upcoming events throughout the year.	Included in the Premier Sport package (see Key Indicator 1)	Children were well prepared to compete at inter-school events.	The training programme will continue for 2022/23.
Train children for inter-school and intra-school Football events.	Football club ran every Friday after school	£1225	A mixed team was trained to compete in an end of year event hosted by St. Martin's.	We will continue to organise whole school events throughout the year.
It is our intention that all children are encouraged to be actively involved in competitive sports.	We held some whole school events such as Cross- country running and Sports Day.	No cost	The impact of this is that all children took part in competitive events this year.
